Sir,

Adverting to Government Order No.L.5767-78/L.B.105-23-14 dated 30/31st Jauary 1934 directing that overseers and sub-overseers should not be permitted to work in a Municipality for more than four years, I have the honour to state that there are five -- sub-overseers in the Municipality of whom only one is seconded in the Public Works Department. With a view to transfer them to the Public Works Department and vice versa, the scale of pay of sub-overseers in the Municipality was also raised to the level of the sub-overseers' grade in the Public Works Department. The sub-overseers in the Municipality are hard working and sufficiently qualified and experienced to hold their posts. They cannot be spared simultaneously or transferred as the works in the City require ~~to~~ executives of long ~~level~~ local experience. They may be transferred one by one and replaced by capable subordinates of the Public Works Department gradually. The names of subordinates worki

21/2/34

Copy of the letter No.814 dated 13th February 1934 from the Chairman, City Improvement Trust Board to the Chief Engineer in Mysore, Bangalore.

With reference to the Govt. Order No. L 5767-78/LB.105-33-4 dated 31st January 1934 ordering the immediate reversion of all overseers and sub-overseers to the Public Works Department as have been working in the Bangalore and Mysore City Municipalities and the Mysore Trust Board for a period of more than 4 years, I have the honour to request you to kindly intimate whether (a) this order is applicable also to those subordinates who are not seconded in the Public Works Department (b) all of them (whether seconded or not) would be given after reversion the pay of the grade in which they are now working here (c) their relative position would be affected in the Public Works Department .

As a whole -sale transfer of all the subordinates simoultaneously as stated in the order, would greatly inconvenience and upset the programme of works, it is requested that transfers be given effect to in instalments and at convenient intervals. The majority of them are in the Trust Board from the very commencement of their service and are well acquainted with the localities and nature of works.

The following is the list of subordinates' Staff belonging to the Trust Board:-

1. Mr. C.R. Krishna Rao, Overseer.
2. " T.T. Appadorai Pillay, Sub-Overseer.
3. " K. Narasimha Iyengar Do
4. " H. Narayana Rao. Do
5. " V. Vajravelu Mudaliar Do (retired and re-employed).

(1) <u>Mr. C.R. Krishna Rao, Overseer.</u>

He was transferred to the Trust Board in January 1923 from The Mysore Division to work as a Draftsman and was promoted to the grade of Overseer, Vide G.O. No.L 264-6/M1 13-22-2 dated 11th July 1932, at the instance of the Board of Trustees

and Municipal Councillors in recognition of his satisfactory work with the intention of retaining him here. He is found to be very efficient both in office and out-door work and for the preparation and execution of major schemes. Now that there are many major schemes on hand his services are absolutely required and he cannot be spared without great inconvenience either to the Trust Board or the Municipality. In the interests of work I request that Mr. Krishna Rao may not be reverted for the present.

Subordinates named in items 2, 3 and 4 are in the Trust Board service from the beginning of their employment and only seconded in the Public Works Department in the usual course later on. These may be reverted one by one without prejudice to work.

As for item No.5 Mr. V. Vajravelu Mudaliar, he is a retired sub-overseer and re-employed only temporarily for a period of one year Vide Chief Secretary's letter No.L 3175/M1 13-33-6 dated 7th November 1933, and may not therefore be disturbed. Besides, he is entrusted with the acquisition work which requires some detail knowledge of all the localities.

Letter No.To.3717 dated 14-3-1934 from the Municipal Commissioner, Bangalore City Municipality, Bangalore City, to the Chief Engineer to the Government of Mysore, Bangalore.

****

With reference to your letter No.7646 dated 10th Feb.1934 adverting to G.O.No.L.5767-78/L.B.105-33-14 dated the 31st January 1934 in the matter of the mutual transfers of Engineering subordinates from the Municipality to the Public Works Department and vice versa, I have the honour to forward herewith a copy of the gradation list of Overseers and Sub-overseers with details as to the number and pay under each class.

I am afraid that there will be some difficulty in transferring to the Public Works Department, Engineering subordinates of the Municipality who have no lien in the State Engineering Department. This is a matter that will have to be more carefully studied before transfers are effected wholesale. The cader of the Engineering Department may have to be raised to include Municipal subordinates also before the transfers are effected.

As Mr.P.Eswara Raju is the only suboverseer in the Municipality whose services are lent to the Municipality from the State Engineering Department and as he has been working in this Municipality for more than 7 years, I have no objection to his being reverted, if Mr.Seshadrivasan who is now working in Devanahalli of Bangalore Division can kindly be spared for the Municipality.
